

Temple of the Goddess

Autumn Equinox Celebration

Join us as we explore the myth of Artemis,
huntress and protector of the Earth.
Artemis will teach us about finding the courage and
strength to stalk our dreams and destiny.
She will also release the mythical Green Dragon,
the manifestation of Artemis anger
at the destruction of the Earth.

Equinox—day and night are in balance. From now on the nights are longer than the day. It is time to reap the harvest grown from the sowing done at Spring Equinox. At Summer Solstice we nurtured, watered, and weeded our crops. Now, we grieve over the dying of the Goddess, but know that She will return. Let us take Her harvest into our bodies, and knowledge of the Cycle of Life into our souls.

Join us as we harvest the bounty we deserve. Harvest it for the Earth, ourselves, each other, and community, through dance, song, and sacred enactment. Bring a fruit or vegetable for the Harvest Altar.

Our last ritual of 2011 is All Hallows Eve to be held on October 29~~~Questions: info@TempleoftheGoddess.org or 818-771-5778
